Whether you're an independent baker, a large supermarket chain, a hotel or an institution, SPG racks, carts, sinks, cabinets and tables bring you the efficiency, durability and economy you need to do more and earn more every day. Our equipment brings you heavy-duty construction for years of reliable service and innovative design features that can improve the productivity of your staff and the profitability of your operation.

Nobody offers a broader selection of foodservice equipment, and our comprehensive bakery offering includes:

- Nesting racks that reduce space requirements by 40% and allow 6 empty units to be moved at once
- Pan rack covers that come in a variety of sizes, including custom sizes, and preserve freshness, retard dehydration and keep products sanitary
- Universal Stainless Steel sinks, including one-, two-, and three-compartment sinks, hand sinks and more in the highest quality 14 or 16 Gauge 300 Series Stainless Steel
- Our exclusive Adjustable Ergonomic Table lets you raise and lower the work surface to accommodate the different heights of your staff and the task at hand—as a result, the chance of injury is lowered, while productivity is raised
- Bakery essentials that include equipment stands, mixing bowl dollies, fixed and mobile shelving, material handling equipment to move ingredients, workstations and more

SPG can customize our equipment in any material and to your unique size requirements. Contact us today for details.

TABLE OF CONTENTS

When it comes to bakery equipment, no one offers you a bigger menu than SPG.

CONTACT US

SPG offers everything you need to make a lot of dough.

You can always Expect More from SPG. With a tradition for manufacturing excellence that goes back more than half a century, SPG not only brings you the most comprehensive lineup of storage equipment, but also the best one.

Our lines include the finest names in the storage industry: AMCO, Freestyle, ISS, Kelmax, and Universal Stainless. And while each offers a unique array of equipment, they all share certain traits—like quality, value, durability, efficiency and profitability.
